2011 Swim Lesson Registration and Cost Information

Registration is required prior to the start of a session. Late or last minute registrations will be accepted on a space available basis. The cost is \$65 per student per session. Each session will run for 2 weeks, meeting on Monday, Wednesday and Friday, between 1:00 p.m. and 4:00 p.m.

Payment must be made at the time of registration to hold a slot. One week advance notice is required for cancellations. A 25% fee will be assessed for cancellations. Unfortunately, no refunds can be given after this time.

Private lessons are available for \$30.00 per half hour. All private and semi-private lessons are scheduled based on availability and are scheduled at a mutually convenient time.

Water Baby & Level 1 (Water Exploration) Classes: 30 minutes in duration including 5-10 minutes of playtime or other activity, as determined by the instructor. The objective of these classes is to help students feel comfortable and safe in the water. (Usually, 1:00 – 1:30 or -1:30 - 2:00 p.m.)

Level 2 & Above Classes: 45 minutes in duration with an optional 15 minutes of playtime, at the discretion of the instructor. (Usually, 2:00 -3:00 or 3:00 – 4:00 p.m.)

Participant and Spectator Guidelines:

1. Parents and other special guests are asked to use the benches / chairs provided on the pool deck, unless you are in our parent/child classes which require your participation in the water. Many students become preoccupied with their audience and show off instead of paying attention to the instructor. In this event, spectators may be asked to leave during the instructional portion of the lesson.
2. Flotation devices of any kind are not allowed in swimming lessons, i.e. water wings or swim rings. Unless these are deemed beneficial by the instructor. The use of goggles is discouraged – but permitted for the overall enjoyment of the experience.
3. Please do not allow your child to eat a full meal just prior to class.
4. Shoulder length or longer length hair should be braided or secured to prevent it from getting in the child's face. Jewelry should also be removed.
5. Please make sure your child uses the bathroom prior to class.
6. Inform the instructor of any disabilities or limitations.

Goggles: For levels 1 to 3 we do not recommend goggles because children need to learn to be comfortable in the water without any aids. However, should the student prefer, goggles are permitted in the upper level classes, as students are expected to spend a significant amount of time doing a variety of skills with their faces in the water. Students may find that goggles help to reduce eye irritation.

Adult Beginner & Intermediate Swim Lessons: Private/Semi-Private

The beginner lesson is designed to help the fearful adult become comfortable in the water. No matter what your water experience is, this class is dedicated to helping you become comfortable and safe in the water. The intermediate lesson is designed to help adults improve and perfect their stroke and to start building their aquatic endurance.
